

HealthyMeasures

Connecting formerly incarcerated individuals to health care, benefits and resources for re-entry

Do you have...

a history of incarceration within the past six months?

a chronic condition such as:

- Asthma
- Diabetes
- Heart Disease
- Hypertension (high blood pressure)
- Emphysema
- Hepatitis

**Many other conditions qualify! Please contact us for more information.

If so, you may qualify for HealthyMeasures!

HEALTHYMEASURES BENEFITS

- One-on-one help with managing your condition between doctor's appointments
- Hygiene kit (valued at \$35)
- Goal-setting with your own peer navigator
- Ongoing medical care, counseling and long-term stabilization
- Barrier assessment and removal (such as DMV, County Collections, etc.)
- Linkage to services like housing, employment and training
- Up to \$40 stipend upon successful linkage to care
